

Outset Medical Reports Second Quarter 2021 Financial Results

August 5, 2021

2021 Revenue Guidance Range Updated to \$97 million to \$100 million

SAN JOSE, Calif.--(BUSINESS WIRE)--Aug. 5, 2021-- Outset Medical, Inc. (Nasdaq: OM) ("Outset" or the "Company"), a medical technology company pioneering a first-of-its-kind technology to reduce the cost and complexity of dialysis, today reported financial results for the second quarter ended June 30, 2021.

Recent Highlights

- Recorded net revenue of \$25.2 million in the second quarter of 2021, a 115% increase compared to \$11.7 million in the second quarter of 2020
- Achieved gross margin of 4.2% in the second quarter of 2021 compared to (40.6%) in the second quarter of 2020
- Appointed former Amazon AWS Health AI executive Jean-Olivier Racine as Chief Technology Officer
- Appointed Edwards Life Sciences Corporate VP Katie Szyman to the Board of Directors
- Announced several multi-year sales agreements with innovative dialysis care providers to drive home hemodialysis adoption with Tablo

"In the first half of 2021, we delivered best-in-class revenue growth and steady gross margin improvement driven by a team that is dedicated to, and united around, transforming the dialysis experience for patients and providers," said Leslie Trigg, President and Chief Executive Officer. "With new home console bookings up substantially in the second quarter, and both current and new customers purchasing Tablo for acute use, our integrated commercial strategy is working as expected. We remain confident in our ability to execute on each of our key strategic initiatives for 2021 and in our long-term growth prospects."

Use of Non-GAAP Financial Measures

The Company may report non-GAAP results for gross profit/loss, gross margin, operating expenses, operating margins, net income/loss, basic and

diluted net income/loss per share, other income/loss, and cash flows. These non-GAAP financial measures are in addition to, and not a substitute for, or superior to, financial measures calculated in accordance with GAAP. The Company's financial measures under GAAP include stock-based compensation expense, as listed in the itemized reconciliations between GAAP and non-GAAP financial measures included in this press release. Management has excluded the effects of this non-cash expense item in non-GAAP measures to assist investors in analyzing and assessing past and future operating performance and period-to-period comparisons. There are limitations related to the use of non-GAAP financial measures because they are not prepared in accordance with GAAP, may exclude significant expenses required by GAAP to be recognized in the Company's financial statements, and may not be comparable to non-GAAP financial measures used by other companies. The Company encourages investors to carefully consider its results under GAAP, as well as its supplemental non-GAAP information and the reconciliation between these presentations, to more fully understand its business. Reconciliations between GAAP and non-GAAP results are presented in the Appendix A of this press release.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements other than statements of historical fact are forward-looking statements. Forward-looking statements are based on management's current assumptions and expectations of future events and trends, which affect or may affect the Company's business, strategy, operations or financial performance, and actual results and other events may differ materially from those expressed or implied in such statements due to numerous risks and uncertainties. Forward-looking statements include, but are not limited to, statements about the Company's possible or assumed future results of operations and financial position, including expectations regarding projected revenues, profitability and outlook, statements regarding the Company's overall business strategy, plans and objectives of management, as well as the Company's expectations regarding the continuing impact of the COVID-19 pandemic on the Company and its operations as well as the impact on its customers and suppliers. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Factors that could cause actual results or other events to differ materially from those contemplated in this press release can be found in the Risk Factors section of Outset's public filings with the Securities and Exchange Commission, including Outset's latest annual and quarterly reports. Because forward-looking statements are inherently subject to risks and uncertainties, you should not rely on these forward-looking statements as predictions of future events. These forward-looking statements speak only as of their date and, except to the extent required by law, the Company undertakes no obligation to update these statements, whether as a result of any new information, future developments or otherwise.

About Outset Medical, Inc.

Outset is a medical technology company pioneering a first-of-its-kind technology to reduce the cost and complexity of dialysis. The Tablo® Hemodialysis System, FDA cleared for use from the hospital to the home, represents a significant technological advancement that transforms the dialysis experience for patients and operationally simplifies it for providers. Tablo serves as a single enterprise solution that can be utilized across the continuum of care, allowing dialysis to be delivered anytime, anywhere and by anyone. The integration of water purification and on-demand dialysate production enables Tablo to serve as a dialysis clinic on wheels, with 2-way wireless data transmission and a proprietary data analytics platform powering a new holistic approach to dialysis care.
